EVOLVE™ iRANGE P10/P20

Yesterday, Today, Tomorrow

True to its name, Checkpoint's EVOLVE range of antennas, has evolved. The next generation of intelligent solutions from Checkpoint is now available - The EVOLVE iRange. This portfolio of solutions utilizes the latest in technology to enable easy to install upgrades when new features are available. Only Checkpoint offers best-in-class, high performing and reliable products so retailers can feel confident investing in our solutions. We partner with retailers to determine the best fit solution for their store environment and to help them understand the return on investment, leaving you to concentrate on the consumer.

If only everything else in store was as reliable.
We'll take care of your merchandise availability needs, leaving you to take care of your customers.

The EVOLVE iRange P10 is a robust aesthetically pleasing antenna, designed to withstand tough retail environments such as supermarkets and hypermarkets, pharmacies, DIY stores and garden centers.

The EVOLVE iRange P20 is a slimmer alternative to the P10 antenna, designed to withstand the same tough environments, but where space is at a premium.
